“Dear Mike, Thanks so much for helping us make our Mardi-Gras Themed 2004 Kick-Off Party such a great success. We had many, many compliments on the band, and even more on your playing in the cocktail area. It made a real difference to get the people in the spirit before dinner. I would highly recommend that for any other dinner you might play for in the future. Enclosed is your payment of -----, which we happily pay to you and your group. If you ever need a recommendation – count me in.”

“The East End rented a city bus to move people from nightspot to nightspot, and record store cult figure Buzzo and his rockabilly trumpet and Mike Kornrich’s Dixieland banjo turned the bus in a jam session. People were having such a good time singing and cruisin’ the streets that they didn’t want to get off.”

“One of the liveliest spots was the children’s stage where Mike Kornrich wooed the little ones with his guitar, banjo and harmonica.”

“Mike Kornrich will serenade the lunchtime crowd at noon every Wednesday through August 16 with his spirited Dixieland-style banjo. This “Music ‘Round the Square” is a tribute to the area’s historical value and cultural offerings. Pack a lunch and join the fun – it’s free, and Kornrich is always worth the trip to Washington Square Park downtown.”
